1 | March

This section presents the details of the task related to my research, which I completed in March.

1.1 Week - 14

Mar 29 - Mar 31

Week - 14

1. Complete the unfinished task that was not completed yesterday.
2. Spend most of the week on JOB-related things.
3. Try to complete the Introduction part of the paper and share that to Professor by Thursday.
4. Be more action-oriented this week and submit the first draft of the paper.
- 5.

Sunday Mar 29, 2026

To do Tasks:

1. Go for Bee & Goody 5K run. ✓
2. Complete the CV for teaching. ✓
3. Work on the LinkedIn Learning course for Python before going to the Bee & Goody run. ✗
4. Email the iTeach Personnel about the Certification verification and next processes. ✓
5. Email the Walter John HS principal about the Physics teaching Jobs. ✗

Focused Tasks of the day

- Spend the time in making the search for the schools where I can apply for the teaching jobs.
- Add the Teaching Experience of High School Physics in the Website before bed.

Monday Mar 30, 2026

To do Tasks:

1. Go to department to attend Rob's PhD defense.
2. Saw the jobs posting of the physics teacher at Thomas Jefferson High School for Science and Technology, and I should apply for that as well.
3. I will work on the cover letter tomorrow right after coming back from Yi-Cheng's defense.

Notes:

1. Had a quite long discussion with Rajnandini about personal stuff, and I should try to speak as much less as I can as this is not working in the favor of our relationship.

Tuesday Mar 31, 2026**To do Tasks:**

1. Go to department to attend Yi-Cheng's PhD defense. ✓
2. Work on the cover letter for the physics teacher job at Thomas Jefferson High School for Science and Technology.
3. Complete the application and email the principal of the Chantily High School and the Thomas Jefferson High School both of them. /item Attend the meeting with Open Access personnel in Swem library. ✓

Focused Tasks of the day

- Complete the cover letter for the physics teacher job and complete the application at FCPS. ✓

Notes:

1. Completed the website with update details of the teaching and also the blog post about the recent Oral presentation at the 70th Annual MMM conference in 2025.

* * *

2 | April

This section presents the details of the task related to my research, which I completed in April.

2.1 Week - 14

Apr 01 - Apr 04

Week - 14

1. Make the excel sheet for the job applications and then do the applications.
2. Complete the tax return and then ship that to the IRS.
3. Send the email to everyone whom you have met in the Job Fair at Fairfax County Public Schools.
4. Work on the completing the Excel sheet for the job applications and then do the applications.

Wednesday Apr 01, 2026

To do Tasks:

1. Fill the sprintax calculus and then complete the sprintax tax return.
2. Complete the emails to the Chantily High and Thomas Jefferson High Schools and submit the applications for the teaching jobs. ✗
3. Go to the GSA meeting in the evening around 4:00 pm. ✓
4. Go to department and get the printouts of the tax return documents.

Focused Tasks of the day

- Complete the Sprintax tax return and then go to department after the GSA meeting, print the documents.
- Email the principal of the Chantily High School and the Thomas Jefferson High School both of them about the interest in the physics teacher job and also about the application process. ✗

Thursday Apr 02, 2026

To do Tasks:

1. If the tax return is completed, then go to USPS and then ship that to the IRS.
2. Do the email things only whole day and then update the detail courses

Friday Apr 03, 2026**To do Tasks:**

- 1.

Saturday Apr 04, 2026**To do Tasks:**

- 1.
